Youth Sunday

It's finally here, and our Youth are ready to bring their own brand of excitement to the worship service. Olivia Justice and Mark Graham have been working on some upbeat music with C-Unit. Charlotte Stephens, Rodger Donnelly and Crickett Choate helped the kids craft a mes-

sage that they pray will speak to the young and the young-at-heart. Come experience a service that will have you tapping your toes and proud to be part of the village raising some great kids!

Immediately following the service, a Mexican Fiesta lunch with homemade tamales, beef fajitas, rice and beans will be served in Fellowship Hall. Proceeds from the luncheon will go to support youth attending church camp this summer.

There are not adequate words to describe the worship experiences youth have while at summer camp. Quite simply church camp can help shape a child's life, his/her outlook, and be an awesome step in their faith journey.

FCC members have always been very generous in their giving to the youth, and we thank you for that continued support. Please join in worship next Sunday.

Congregational Meeting

There will be a called congregational meeting immediately following worship on Sunday, May 4 to hear the recommendations of the Nominating Committee.
